

# THE SACRAMENTS

website where I have

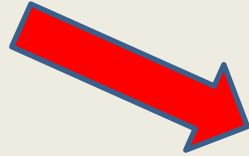

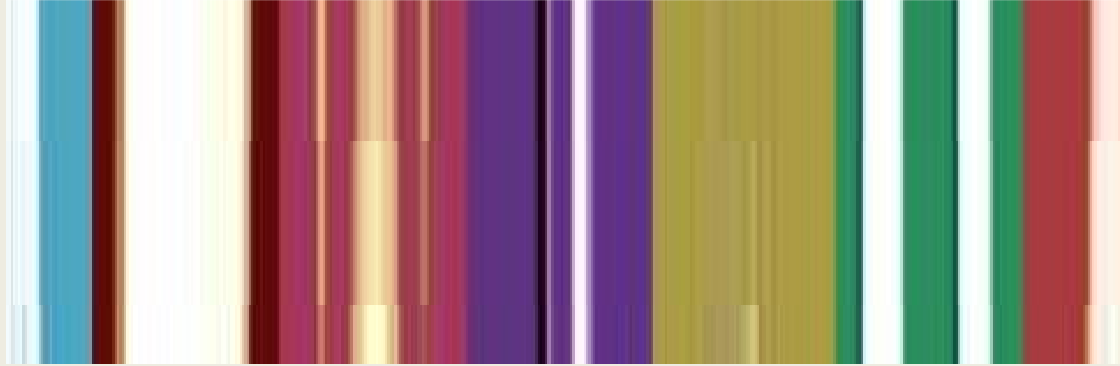

What are the sacraments?

Visible signs that indicate to us that there is an invisible reality.

The sign can be in many ways:  
image, gesture, word, object.

# VISIBLE REALITY

*We receive God's Love*

# INVISIBLE REALITY

- According to the Catechism, the sacraments are:
  - Sensitive and effective signs of grace.
  - Instituted by Christ.
  - Entrusted to the Church.
  - Through which divine life is granted to us.

The word grace here means the gift or favor that is received from God freely, without any personal merit.

- *Sensitive and effective signs of grace* . It is a sign that I can notice with my senses.
  - water cleanses... baptism cleanses the soul
- *Instituted by Christ* . He invented them. They appear in the New Testament.
- *Entrusted to the Church* . The Church is the only one who can administer them, say how they are done, ...
- *Through whom divine life is granted to us* . It is through them that God's grace reaches us in the main way.
