I am...

I'm here to...

My life is...

THE HUMAN PERSON

Person:

Body: organs, muscles...

Soul: intelligence, will

Heart: the engine for loving

THE HUMAN PERSON

Steps to make a decision:

Need...

To achieve this, I must...

Alright.

I do it.

THE HUMAN PERSON

Decision-making:

Intelligence sometimes doesn't understand what we decide with our hearts.

I want to reach **God** because He created me to know Him and love Him freely.
