➤ 10

Commandments of
the Law of God.

- These are the commandments that God gave to Moses.
- We know what is right and wrong.
- Engraved in our hearts.

- Believe the revealed truths.
- God has told us many things about Himself. We would not know them if He had not told us Himself.
- How do we know it is true? God cannot deceive us or deceive himself.
- God created us so that we love him. He seeks us.
- But since he has given us freedom, we can either pay attention to him or not.

- The 7 Sacraments: They are the source of living water.
- It is the channel foreseen by Jesus for the grace that sanctifies us, that makes us holy, to reach us.
- Prayer: talking to God is the other way.
