"And after the lightning, the murmur of a gentle breeze was heard,

and God was there"

LIFE EVENT

Once upon a time there were four blind wise men, who had never met

They had an elephant, and after learning that their king owned one, they asked to meet it. The monarch decided to grant their request.

They approached the animal and, one by one, touched the elephant to find out how
It was that being.

The first wise man touched one of its tusks, and considered that the elephant was

Smooth and sharp as a spear. The second one approached and touched the tail of

The elephant, and replied that it was actually more like a rope. The third would come into contact with the trunk, suggesting that the animal resembled a snake. Finally, the camera would indicate that the others must have been mistaken, since after touching the elephant's knee it concluded that it was something like a tree.

After reaching different conclusions, the wise men began to argue about who truly knew what the elephant looked like. Since they all defended their positions, they sought the help of a fifth wise man who could see. He helped them understand what the elephant truly looked like and that what they had discovered was only part of the truth.
of the animal as a whole.

WEEKLY GOAL

In the Eucharist The Holy Eucharist is the Sacrament in which Jesus gives his Body and Blood for us.

In the Church = the called ones. We are all called by the Lord. As St. Paul says, Christ is the Head of the Church, we are the Body.

To our neighbor Jesus tells us in the Gospel of Matthew, "I was sick and you visited me... I was hungry and you gave me food... whatever you did for one of the least of these brothers, you did for me."

In Creation we fulfill God's creative design when we take care of the earth and effectively preserve it as a living environment, so that future generations can also live well on earth.

In our hearts there is a Saint named Augustine, who was determined to seek the presence of God, he sought Him in nature, in what surrounds us, and finally discovered that God is within us, in our hearts, in our conscience.

The Sacraments of the Church are seven: Baptism, Confirmation, Eucharist, Penance, Anointing of the Sick, Holy Orders, and Matrimony. And why do we really need the sacraments? We need the sacraments to transform our lives.
our small human life and through Jesus become like Jesus: children of God in freedom and splendor.
